

Made in Germany

Everything for the Stone Industry

Double Sided A Frame Transport Carts

Redesigned with slots for optional wheels.

Weha Double Sided Transport A Frame Carts are the world standard for Stone Material Handling Transport Equipment for granite and stone counter tops and islands. The Weha Double Sided Transport A Frame Cart is the safest way to get granite delivered to the job site.

The quality of the Weha Granite Transport Carts are unmatched. Other companies try to imitate the Weha Transport Carts but they simply cannot match the quality and longevity of the Weha Transport A Frame Carts.

Solid galvanized steel for years of use. Fully replaceable rubber.

Weha Transport Carts are really in a league of their own!
