Everything for the Stone Industry

GECKO DOUBLE HANDLE CARRY CLAMPS SET OF 2 - 440 LB CAPACITY

Weha Gecko Double Handle Carry Clamps are perfect for Granite, Marble, Quartz, Quartzite, all stone, Glass, metal, wood and any other sheet material.

Made with a fully vulcanized 3/16" thick rubber pad that will "bite" into the material for a solid grip that doesn't slip and will not damage the stone.

Safely rated for 440 lbs per set (220 lbs each), the heavier the material, the stronger the grip.

With double handles, the Weha Gecko Stone Carry Clamps can support up to 4 workers, each taking a handle to lighten the load.

Specifications:

- Grip Range: 0"-1 5/8"
- Lifting Capacity: Safely Rated at 440 lbs per set (220lbs each)
- Weight: 5.5 lbs each. 11 lbs per set
- Dimensions: 11.25" x 4.75" x 9.5"
