

4" and 5" Velcro Silicon Carbide Sandpaper - Wet / Dry

Weha Silicon Carbide Sandpaper Hook and Loop for granite, marble, limestone, travertine, and all other stone. Weha line of Silicon Carbide Sandpaper is equal to all the major brand sandpapers out there on the market. Pure grade silicon on heavy E weight paper allows long lasting sanding and polishing in either a wet or dry environment.

Weha has researched sandpaper for nearly 3 years to find uncompromising, consistent, high quality E weight silicon carbide velcro backed sandpaper that we can put our name on. Weha is proud to offer this line of velcro sandpaper to the stone fabricator, knowing it will meet the high expectations that fabricators want and deserve.

Weha has also created the ideal Silicon Carbide Sandpaper variety pack. This silicon carbide sandpaper kit comes with: 20-60g, 20-80 grit, 20-120 grit, 10-220 grit, 10-320 grit, 10-400 grit, and 10-600 grit. This variety pack of 100 is designed for the box of 100 to be consumed evenly as the lower grits of silicon carbide sandpaper are always used twice as fast.

Weha offers the Silicon Carbide Sandpaper in both 4" hook and loop as well as in 5" hook and loop.
